

# *Littlest Angel*

*Being a parent  
has many layers  
mysterious and fine*

*Your child will dance  
in heaven's gardens  
not on earthly toes*

*There are no words  
I know to ease your pain  
But there is love--  
a bond of light that  
now forever joins  
your heart-child to you*

*And a bond of love  
that comforts those  
left temporarily behind*

*Susanne Mariella Alexander  
April 29, 1999  
In honor of a friend after  
miscarrying a baby*
